\*\*  
Part Numbers followed by brackets "( \_\_\_ )" will have a three digit extension to represent the country which has been programmed into the ELT. For a complete list of three digit country codes refer to Document 6178.  
NOTE: For units programmed with 24 Bit Address Long Message Protocol and sold with an ELT/NAV Interface, "999" will be entered instead of the three digit country code.

QUANTITY	PART NUMBER	REV.	DESCRIPTION
