Cobham Establishes Dubai Office to Support MRO Business

DUBAI, United Arab Emirates – Cobham's Maintenance and Repair Operations (MRO) business has established a permanent presence in Dubai to better provide Middle East customers with civil and commercial aerospace equipment maintenance. This new Cobham regional sales office is located in the Dubai Silicon Oasis, Office C-605 (P.O. Box: 341028), building on the service base established in the Middle East by Cobham Surveillance in 2002.

Cobham MRO specialises in the maintenance, repair and overhaul of avionics, hydraulics, fuel systems, electro-mechanics, cabin equipment, instruments, engines and air conditioning ducts/pipes for business, commercial and general aviation aircraft. The business also sells related aircraft equipment and spare parts.

Cobham is exhibiting at the 2009 Dubai Air Show on stand W218.

About Cobham:

Cobham's products and services have been at the heart of sophisticated military and civil systems for 75 years, keeping people safe, improving communications, and enhancing the capability of land, sea, air and space platforms. The Company has four divisions employing more than 12,000 people on five continents, with customers and partners in over 100 countries and annual revenue of more than £1.4bn / \$2.1 billion.

Cobham MRO – part of Cobham's Avionics and Surveillance division – headquartered at Le Bourget near Paris, France and specialises in the maintenance, repair and overhaul of avionics, hydraulics, fuel systems, electro-mechanics, cabin equipment, instruments, engines and air conditioning ducts/pipes for business, commercial and general aviation aircraft. The business also sells related aircraft equipment and spare parts.
