UK law requires licences for exports of Military items/services from the UK and between non-UK destinations irrespective of the relevant BU’s location where a UK person or person carrying out activities in the UK does anything to facilitate, support or be in any way involved in their supply or delivery between such non-UK destinations (incl. if the BU GM or leadership team etc are UK nationals).

**ITAR** controlled products require a licence for export from the U.S. and re-export from another jurisdiction.
